CAREER OBJECTIVE

To leverage my creativity, technical skills, and strong determination to become a leading graphic designer, consistently delivering innovative and impactful designs while upholding integrity and dedication in all aspects of my work

EXPERIENCE

- ❑ **Lanista Education, Delhi, 2022- Present:** Designed eye-catching and effective social media graphics, including posts, banners, and ads, leading to a 40% increase in engagement and follower growth across various platforms.
 - ❑ **Amulya Samaj Kalyan Foundation, Delhi, 2020- 2022:** Created intuitive and visually appealing UI designs for web and mobile applications, elevating user experience and functionality.
 - ❑ **Brand Vidiya, Delhi, 2019- 2020:** Developed and executed innovative visual concepts for digital campaigns, print materials, and branding, enhancing overall brand presence and market impact.
-

Experience Summary

- ❑ **6 Years in Graphics Design:** Expert in creating and managing engaging social media content, enhancing brand visibility, and driving user engagement across multiple platforms.
- ❑ **6 Months in App UI Design:** Experience in developing UI/UX designs for various applications, including educational apps (School App, Books App), e-commerce (E-commerce App), and fitness (Gym App).
- ❑ **1 Year Professional Experience in UI/UX Design:** Specialized in UI/UX design at Bhutani Infra, focusing on creating intuitive and visually appealing user interfaces for web and mobile applications.

- Technical Proficiency:
 - Operating Systems: Experienced with Windows (7, 10,11).
 - Software Knowledge: Skilled in using online/offline software, with a strong command of MS Office (2013-365) and other front-end applications.
 - Internet and Data Management: Proficient in managing online data using Dropbox and Amazon AWS.
 - Technical Support: Experienced in handling computer hardware and network issues.
- Communication and Collaboration:
 - Email Management: Proficient in Gmail, Outlook, Yahoo, and similar platforms.
 - Online Meetings: Comfortable with Microsoft Teams, Zoom, Skype, Google Calendar, and Google Drive for efficient communication and collaboration.
- Browser Management: Efficient in using various browsers, including Chrome, Mozilla Firefox, Opera Mini, and Edge.
